Another rotary tool that every doer has is a drill. So you might have thought about using it to polish your car. Although, there are some things you want to consider first: You might have trouble finding an attachment that fits into your drill chuck; Your want to check your max drill speed first, so that is not too high. You don ' t want to risk burning your paint; A drill doesn ' t have a way ...

It ' s been a bad year on many levels, but it was also transformative. And looking beyond the bad, we can learn from this and improve both ourselves and our work in 2021. Working from home matured from a trend of a couple of forward-thinking employers to a necessity and drastically changed the way we communicate and work on projects as a team. It ' s mostly good, but not without some caveats ...
