Questions that guide are broader than questions that lead, but are not truly open-ended or designed to cause in-depth inquiry. Each of these questions is steering the student toward previously targeted knowledge and skill—to arrive at a definite answer. Yet the answer requires some inference, not simply recall. As such they are important tools for helping teachers achieve specific content ...

The pacing of this essay is excellent and that's because the author varies her sentence structure. No paragraph is too dense or excessively wordy. Long sentences are balanced out by short, quippy insights. This give and take of short and long keeps the piece flowing smoothly. Not only is the content great, but it's also not tiring to read. The "flow" of the essay is something you'll ...

Jean felt a little silly pacing in front of the door to the RoR while muttering "I want a high-tech engineering lab to work on my arc reactor design like the one hovering in the air in the dining room" three times but it was the only way to get the room to work. It was a holdover from Harry's old universe, which he had kept for nostalgia's sake. Still, it worked and a moment later she entered ...
