[Learning Group Leadership An Experiential](#)

Experiential learning is, quite simply, learning by doing. We have all learned to walk or talk, not by being shown or told, but by practising and refining our technique. Consequently, trainers and facilitators can implement this method in all sorts of situations with people from all walks of life. There are no barriers due to age, education, experience, ability, background or culture.

David Kolb and Experiential Learning. David Kolb's model of "experiential learning" stated that we learn continually, and, in the process, build particular strengths. Those strengths were said to give rise to personal preferences, which Kolb described in terms of four learning styles: Accommodating, Converging, Diverging, and Assimilating. As Kolb saw it, Accommodators were "hands-on" types ...
